## Alumni Feedback Analysis Report 2021-22

### Introduction

The alumni feedback for the year 2021-22 aimed to gather insights from our alumni regarding their experiences and perceptions of the syllabus, teaching methods, and overall preparation provided by the institution. The feedback covered various aspects such as syllabus content, teaching quality, reference materials, evaluation methods, and employability opportunities.

### Methodology

1. Feedback was collected through an alumni feedback form distributed to alumni from the 2021-22 batch.
2. Responses were analyzed to identify trends, strengths, and areas for improvement.
3. Anonymity was ensured to encourage honest feedback.
