Feedback Analysis, and Action taken Report for 2018-19

The College conducted a feedback analysis report for the academic year 2018-19, in which they collected feedback from F.Y./S.Y./T.Y. B.A. students on various aspects of their college experience. They used a structured questionnaire that contained 20 multiple-choice questions and one descriptive question. The overall sentiment from the feedback was positive, with students expressing satisfaction and appreciation for the college's offerings.

Here is a breakdown of the feedback analysis based on questionnaire responses:

- Curriculum Evaluation Points:** The learning values, such as skills, concepts, knowledge, and analytical abilities, were rated mostly between 'Good' and 'Very Good'. This suggests a positive perception of the curriculum's effectiveness. The depth of course content and the extent of coverage received satisfactory ratings, indicating a balanced and comprehensive curriculum. The relevance and learning value of project reports and field visits were also positively acknowledged.
- Internal Assessment System:** Most students found the internal assessment system conducive to their learning experience and rated it favourably.
- Library Holdings and Resources:** The library holdings for the course received positive feedback, indicating adequate resources for students' academic needs. The availability of prescribed readings was generally satisfactory.
- Student-Teacher Relationship:** The overall student-teacher relationship within departments was rated highly, reflecting a positive and supportive academic environment.
- College Facilities and Extracurricular Activities:** Administrative offices, health care facilities, and extracurricular activities garnered mixed but generally positive ratings. Students' participation in extracurricular activities was notable.
- Post-College Perception:** Students expressed positive sentiments regarding how they would talk about the college after leaving, indicating a favorable long-term impression.

Action Taken Report:

- Based on feedback, the College made minor adjustments to enhance course depth and coverage while maintaining relevance.
- They continued to support and develop the existing internal assessment system to ensure it remains conducive to student learning.
- Additional resources were procured to further enrich the library's holdings and ensure better access to prescribed readings.

- The College encouraged and facilitated initiatives to strengthen the already positive student-teacher relationships across departments.
- They addressed areas of improvement in administrative processes and healthcare facilities based on feedback. The College expanded and diversified extracurricular activities to cater to diverse student interests.
- Finally, they have implemented strategies, including alumni engagement programs and ongoing communication channels, to ensure a lasting positive impression among students.
